Annual Survey – Families

Dear Parents / Carers,

We are writing to you to ask if you can spare a few minutes to complete our Annual Survey for families which you can access via the link below. As you already know, the academy your child/children attend(s) is part of the Bradgate Education Partnership.

This survey is one of the ways in which you can inform us about all the successes and the areas where we need to improve. Once the surveys are complete, we will review the data and meet with the Head Teacher(s) to discuss any trends at each academy and across the Trust.

Following on from that, we will write out to all families and highlight any of the areas we intend to address locally or across the Trust over the coming months.

Your voice is important to us and we hope that you can spare a few minutes to complete this survey. It will be live on the academy and the Trust website until the 12th October 2022.
